

There's light

Dear Jimmy,

Mary and Mike were over for dinner tonight and we played bridge later. Last There. Night they went down to Joyce's bridge club and played Duplicate. It is a novice game on There. Night and they came in third, missing second place by half a point.

Gail had two or three days off last week so spent them in San Francisco. Gregg called Uncle Curly after she left and told him she left with a ring on her finger. I talked to Ruthie tonight and she said Gail and Gregg were eating cracker jack and she found her ring in the cracker jack box. They plan to get married when

Gregg finishes school, which
is in about a year I
think.

Our weather has turned
back to summer again and
I hope it stays now.

I haven't heard yet when
Flarence is coming or if she is
coming. She wrote and said
she would like to so I invited
her to come about the first
of August.

Mary and I hope to get down
to see you soon. I will talk to
you and see when it would
be convenient for you.
More later.

Love,
Mom
